Item 1073 - Arisia Remembers David Bowie Sunday 10pm – Marina 4

Description: We're still reeling from the death of David Bowie, a performer whose influence on genre can be found in his music, movies, and fashion sense. Join us for a panel in which we talk about how much he meant, and look at some highlights of his career. Hosted by Randee Dawn.

The new Wandering Minstrel program

Throughout the weekend, we'll have designated musicians performing in public spaces (e.g. lobby, mezzanine, concourse). If you're looking for people to jam with, try to recruit one or two! Minstrels -- even when on duty, if they're not too busy -- are prime candidates for people to jam with.

It's hard to predict exactly where a Wandering Minstrel will end up playing, but various minstrels will be active at the following times:

-Alyssa Yeager 2:00 PM to 3:30 PM

-Susan Weiner 3:30 PM to 5:30 PM

Nat Budin 4:30 PM to 6:30 PM

The Wandering Cellist 6:30 PM to 8:00 PM

Alec Heller 8:00 PM to 9:30 PM

Char Morgan 9:30 PM to 11:00 PM

Zoë Madonna 11:00 PM to 12:00 AM

Item 1074 - WorldCon in Space! A Sasquan Documentary Sunday - 830 PM - Alcott

Description: Join presenter Eric "in the elevator" Zuckerman as he screens the participatory documentary filmed at Sasquan (WorldCon 2015 in Spokane), created to be sent to the International Space Station for their Astronaut Guest of Honor Kjell Lindgren. Stay after for the Q&A session about the backstory and making of this film!

-Teen Unconference has added 2 sessions: Sunday 1-230 PM and 230-4 PM located in Hale.

There are additional times for the Harry Potter Wand Dueling Workshop!

The art of wand dueling is a centuries old practice that has unfortunately fallen on the wayside in today's modern wizarding curriculum. Join Harry Potter NYC as their top wand dueling instructors demonstrate several of the offensive and defensive moves most frequently employed in duels. Many of these can be seen being used in the now famous Harry Potter Documentary films. Young wizards 10 and older can practice, with training wands supplied (or bring your own). Additional sessions will be held at 9am and 10am in Fast Track.

Both Arisia and the Westin Hotel are aware that the quality of the Arisia TV picture (channel 86) is not always good, and that it varies widely across the hotel. This is due to the Westin's cable system. Rooms on lower floors tend to have better quality.

While most TV channels in the Westin are digital, Arisia TV must use an analog channel. The TV signal is broadcast quality where we feed it into the hotel's system, but image degradation occurs along the distribution path.

If you have urgent questions or concerns about Arisia TV (such as no sound or picture), contact Ops in Stone

Arisians! Lend me your thoughts! Did you attend panels at Arisia? Workshops? Stuff? Please fill out our feedback form. You will see the URL and QR code in the panel rooms, and you will see paper forms and boxes to put them into as well. Or you can just follow this URL and fill the survey out for every panel you attended. We really want to hear from you, and if you give us your contact information for follow up we promise to keep it strictly confidential. Our Programming division works hard to make Arisia the best con around, and your feedback is very important for that!
